This Affiliate Sales Agreement (the "Agreement") is entered into by and between TRAINERSOURCE LLC (the "Company") and the individual or entity signing below (the "Affiliate"). The Agreement governs the Affiliate's participation in the Company's affiliate sales program.

1. Appointment and Approval

The Company may approve the Affiliate to participate in the Company's affiliate sales program on a non-exclusive basis. No Affiliate is accepted into the program until the Company sends written approval by email after receiving the signed Agreement.

The Company may approve, reject, suspend, reactivate, or terminate any Affiliate in its sole discretion, subject to any unpaid commissions that are validly earned under this Agreement.

The Affiliate must be at least eighteen (18) years old and must provide accurate legal name, contact, tax, and payment information as reasonably requested by the Company.

2. Defined Program Terms

"Trainer Portal" means the Affiliate's personal portal available through www.trainersource.com, or any replacement portal designated by the Company.

"Site Access Code" means a one-time-use customer access code generated by the Affiliate through the Trainer Portal.

"Qualifying Transaction" means an eligible customer purchase that is properly attributed to the Affiliate through a Site Access Code, paid in full, not refunded, not reversed, not charged back, not fraudulent, and not otherwise excluded under this Agreement.

"Lifetime Order" means an eligible subsequent order placed by the same customer using the same customer email account after that customer's first Qualifying Transaction, excluding any excluded products or items.

3. Trainer Portal and Affiliate Participation

After approval, the Affiliate may access the Trainer Portal to generate Site Access Codes, track earnings, order products, manage contact information, and communicate with Company management.

The Affiliate is responsible for maintaining the confidentiality of portal credentials and for all activity under the Affiliate's portal account, except to the extent caused by the Company's systems or personnel.

4. Person-to-Person Promotion Only

All referred sales must be generated through direct person-to-person referrals. The Affiliate may not promote, advertise, post, tag, hashtag, link, comment, message, or otherwise mention TrainerSource, TRAINERSOURCE LLC, Ultimate Peptides, the Company's products, or the affiliate program on social media or other public online channels.

The Affiliate may not run paid advertisements, paid search campaigns, display ads, sponsored posts, retargeting campaigns, influencer posts, public coupon postings, marketplace listings, public landing pages, public product reviews, or any other public digital promotion referencing the Company, Ultimate Peptides, or the Company's products unless the Company gives prior written approval.

The Affiliate may not use spam, misleading claims, fake discounts, unauthorized paid search bidding, brand impersonation, coupon abuse, self-referrals, fraud, bots, incentivized or coerced traffic, illegal traffic sources, or any practice that could damage the Company, Ultimate Peptides, customers, or the affiliate program.

5. Medical, Supplement, and Advertising Compliance

The Affiliate acknowledges that the Company's products are supplements and related products, not medical advice, diagnosis, treatment, cure, or prevention of any disease or condition. The Affiliate must not provide medical advice and must advise potential buyers to seek advice from a qualified medical professional before purchasing or using any product.

The Affiliate must not make any health, disease, treatment, diagnosis, cure, performance, weight-loss, safety, efficacy, dosing, or results claim unless the exact claim has been approved in writing by the Company for the specific product and use.

The Affiliate must not represent that any product is approved, endorsed, prescribed, recommended, or guaranteed by any governmental authority, medical professional, athletic organization, or third party unless the Company has provided written authorization for that specific statement.

If the Affiliate makes any endorsement or recommendation in a setting where disclosure is required by applicable law, the Affiliate must clearly and conspicuously disclose that the Affiliate may receive compensation for referred purchases.

The Affiliate is solely responsible for complying with all applicable advertising, consumer protection, privacy, email, anti-spam, health-product, supplement, and professional-conduct laws and rules.

6. Brand Use and Marketing Materials

The Company grants the Affiliate a limited, revocable, non-exclusive, non-transferable permission to use Company-approved names, marks, materials, and product information solely as needed for permitted person-to-person referrals under this Agreement.

The Affiliate may not alter Company materials, create unapproved sales materials, use the Company's marks in domain names or social media handles, imply employment or agency, or suggest that the Affiliate is the Company, Ultimate Peptides, or an authorized medical representative.

The Company may revoke permission to use any brand materials at any time. Upon request or termination, the Affiliate must immediately stop using and return or destroy all Company materials.

7. Commissions

Subject to this Agreement, the Affiliate may earn commissions on Qualifying Transactions as follows: twenty percent (20%) of the first order placed by a new customer; ten percent (10%) of eligible Lifetime Orders during a calendar month when the Affiliate's eligible Lifetime Order volume is \$500.00 or less; fifteen percent (15%) of eligible Lifetime Orders during a calendar month when the Affiliate's eligible Lifetime Order volume is more than \$500.00; and eighteen percent (18%) of eligible Lifetime Orders during a calendar month when the Affiliate's eligible Lifetime Order volume is more than \$1,000.00.

Monthly order volume is calculated by calendar month, beginning on the first day of the month and ending on the last day of the month, based on the Company's records.

Bacteriostatic water, Bac Water, and any other low-cost items identified by the Company on the site from time to time are excluded from commissions and do not count toward activity requirements.

The Company may modify commission rates, excluded products, program rules, or payout procedures prospectively by notice to the Affiliate. No commission is earned until all conditions for a Qualifying Transaction are satisfied.

8. Activity Requirements and Inactive Status

A newly approved Affiliate must generate at least four (4) sales, excluding bacteriostatic water, Bac Water, and other excluded low-cost items, within one (1) month after the Effective Date or risk being made inactive.

An established Affiliate risks being made inactive if the Affiliate does not generate at least one (1) sale, excluding bacteriostatic water, Bac Water, and other excluded low-cost items, during any two (2) consecutive month period.

If an Affiliate is made inactive, the Affiliate may not continue referring customers or generating commissions unless and until reactivated by the Company. Valid commissions earned before inactive status will be paid in accordance with this Agreement, subject to investigation, reversals, offsets, and compliance review.

9. Attribution, Tracking, and Records

Affiliate attribution is based on the customer's use of a Site Access Code when logging into the Company's site and subsequent orders placed while logged in using the same customer email account.

Site Access Codes are one-time-use codes generated by the Affiliate through the Trainer Portal. The Affiliate is responsible for providing the correct Site Access Code to the referred customer through permitted person-to-person referral activity.

Affiliate sales and earnings may be tracked through www.trainersource.com. The Company's records, tracking systems, and payment calculations control unless the Affiliate identifies a clear and verifiable error within thirty (30) days after the applicable monthly payout.

10. Payment Terms

The Company will pay valid earned commissions monthly, on the last day of the month, by bank transfer or cryptocurrency transfer, as made available by the Company.

The Affiliate is responsible for providing accurate payment details. The Affiliate bears all bank fees, wallet errors, network fees, gas fees, exchange fees, conversion fees, and other transfer costs charged by third parties, unless the Company expressly agrees otherwise in writing.

The Company may require tax forms, identity verification, sanctions screening, or other compliance information before making payment. Failure to provide requested information may delay payment.

11. Refunds, Chargebacks, Reversals, and Investigations

All sales are final as between the Company and its customers, except to the extent the Company determines otherwise or is required by applicable law or payment-network rules.

Any refund request, chargeback, payment dispute, reversal, suspected fraud, customer complaint, policy violation, or suspicious activity may result in immediate suspension of the Affiliate's account and this Agreement pending investigation.

The Company may withhold, reverse, offset, or recover commissions connected to refunded, disputed, reversed, fraudulent, non-final, non-qualifying, or policy-violating transactions.

12. Affiliate Responsibilities

The Affiliate must act honestly, professionally, and lawfully; make only truthful and approved statements; avoid unauthorized promises or guarantees; protect customer information; and comply with all Company instructions and program policies.

The Affiliate may not bind the Company, collect money on behalf of the Company, accept orders outside the Company's systems, provide customer service on behalf of the Company, or make any warranty, refund promise, delivery promise, medical statement, or product claim not approved by the Company.

13. Company Responsibilities

The Company will provide reasonable access to the Trainer Portal after approval, maintain program tracking in its discretion, process eligible customer orders, handle ordinary product fulfillment and customer service, and pay valid earned commissions under this Agreement.

The Company does not guarantee uninterrupted portal access, specific product availability, customer acceptance, conversion rates, commission amounts, or continued operation of the affiliate program.

14. Customer Ownership and Data

All customers referred through the program are customers of the Company. The Affiliate has no ownership interest in any customer relationship, account, order history, customer data, Site Access Code, or Company sales channel.

The Affiliate may use customer information only as legally permitted and only for permitted referral activity. The Affiliate must not sell, disclose, misuse, or retain customer information except as necessary to comply with law or this Agreement.

15. Confidentiality

The Affiliate must keep confidential all non-public Company information, including commission terms, sales data, customer information, supplier or partner information, pricing, portal access, product plans, business plans, and program procedures.

Confidentiality obligations continue after termination. The Affiliate may disclose confidential information only if required by law, provided the Affiliate gives the Company prompt notice where legally permitted.

16. Intellectual Property

The Company and its licensors, suppliers, or partners retain all rights in their respective names, trademarks, logos, websites, product information, content, software, portals, customer data, goodwill, and other intellectual property.

Nothing in this Agreement transfers ownership of any Company, Ultimate Peptides, supplier, partner, or customer intellectual property to the Affiliate.

17. Term and Termination

This Agreement begins on the Effective Date and continues until terminated. Either party may terminate this Agreement for convenience by written notice.

The Company may immediately suspend or terminate the Agreement for fraud, suspected fraud, social media or public promotion, medical or health claims, illegal conduct, brand misuse, customer complaints, refund requests, chargebacks, confidentiality breach, inaccurate information, inactivity, or any violation of this Agreement.

18. Effect of Termination

Upon termination or inactive status, the Affiliate must immediately stop all referral activity, stop using Site Access Codes, stop using Company or partner materials, and return or destroy confidential information and Company materials upon request.

Valid commissions earned before termination will be paid in accordance with this Agreement, subject to compliance review, investigation, reversals, offsets, and any unpaid amounts owed by the Affiliate to the Company.

19. Representations and Warranties

Each party represents that it has authority to enter into this Agreement. The Affiliate represents that all information provided to the Company is accurate and that the Affiliate's referral activities will comply with this Agreement and all applicable laws.

Except as expressly stated in this Agreement, the Company makes no warranties regarding the affiliate program, products, portal, tracking systems, sales volume, income potential, or customer behavior.

20. Indemnification

The Affiliate will indemnify, defend, and hold harmless the Company, its owners, officers, managers, employees, contractors, affiliates, suppliers, and partners from and against any claims, losses, liabilities, damages, penalties, costs, and expenses, including reasonable attorneys' fees, arising out of or related to the Affiliate's breach of this Agreement, unlawful conduct, false or misleading statements, medical or health claims, social media or public promotion, privacy violation, intellectual-property infringement, customer dispute, tax obligation, or negligence or misconduct.

21. Limitation of Liability

To the maximum extent permitted by law, the Company will not be liable for indirect, incidental, special, consequential, exemplary, punitive, or lost-profit damages arising out of or related to this Agreement, the affiliate program, products, portal, tracking, or customer transactions.

The Company's aggregate liability under this Agreement will not exceed the unpaid valid commissions owed to the Affiliate for the three (3) months preceding the event giving rise to the claim. This limitation does not limit the Affiliate's payment obligations, confidentiality obligations, indemnification obligations, fraud, willful misconduct, or misuse of intellectual property.

22. Independent Contractor Status and Taxes

The Affiliate is an independent contractor and is not an employee, agent, partner, franchisee, joint venturer, legal representative, or broker of the Company. The Affiliate has no authority to bind the Company.

The Affiliate is solely responsible for all taxes, duties, registrations, licenses, expenses, insurance, and reporting obligations arising from commissions or referral activity. The Company may withhold or report payments as required by applicable law.

23. Dispute Resolution

Any dispute, controversy, or claim arising out of or relating to this Agreement, the affiliate program, commissions, termination, or the parties' relationship will be resolved by confidential arbitration seated in Singapore, unless the Company elects to seek injunctive or equitable relief in any court of competent jurisdiction for confidentiality, intellectual property, brand misuse, fraud, or customer-protection matters.

The arbitration will be conducted in English by one arbitrator. The parties will keep the arbitration, filings, evidence, proceedings, and award confidential except as required by law or to enforce an award. Judgment on the award may be entered in any court of competent jurisdiction.

24. Miscellaneous

This Agreement is the entire agreement between the parties regarding the affiliate program and supersedes prior discussions or understandings on that subject. The Company may update program policies or prospective commission terms by notice to the Affiliate.

The Affiliate may not assign this Agreement without the Company's prior written consent. The Company may assign this Agreement in connection with a merger, acquisition, restructuring, sale of assets, or affiliate-program transfer.

Notices may be delivered by email, portal notice, courier, or other reasonable written method. If any provision is unenforceable, the remaining provisions remain effective. A waiver must be in writing and does not waive any later breach. Neither party is liable for delay caused by events beyond reasonable control.

Electronic signatures, scanned signatures, and counterparts are valid and together form one agreement.
